Honor Your Mentor in 2016

The Foundation launched an "Honor Your Mentor" campaign at the SMFM Annual Meeting in February and we've received over 130 donations! Many thanks to all who have made a contribution to the Foundation in 2016. If you have not, honor your mentor with a tax-deductible donation - we'll let your mentor know that a tribute donation was made and recognize all 2016 donors and mentors in Las Vegas.

Dr. Cornelia Graves and 16 other MFM MMs who were mentored by Dr. Frank H. Boehm honored his many years of dedication and mentorship in the field of maternal-fetal medicine with a tribute donation of $5,000 to the Foundation in October. She commented, "Dr. Boehm taught all of us not to see a medical diagnosis but to see the patient. He demonstrated to us how to care for the patient and her family and how to deliver good and bad news with grace and dignity. His commitment to continuing education and development sets an example for residents, fellows and faculty."

Let your mentor know how he or she influenced your career in maternal-fetal medicine and support the Foundation!

Garite Mini-Sabbatical Grant
The 2016 Garite Mini-Sabbatical Grant has been awarded to Lucie Moravia, DO. Dr. Moravia is a third year MFM Fellow at WellSpan York Hospital in York, PA. She will complete a six-week rotation in obstetric simulation techniques with Dr. Shad Deering at the Uniformed Services University of the Health Sciences in Bethesda, MD beginning in January 2017. While there, she will focus on the development of routine and critical care obstetric simulation models and research projects to enhance the didactics of ob-gyn resident/provider education that will impact the care of women in the United States and Ghana, West Africa.

AMAG supports the Foundation!

The Foundation would like to thank AMAG Pharmaceuticals for their generous contribution to our programs in 2016. They have invested in the future of maternal-fetal medicine with an $85,000 educational grant to support the Foundation/AAOGF Research Scholarship, the Garite Mini-Sabbatical Grants, and the Queenan Fellowships for Global Health. We are very grateful for their ongoing support of our mission to advance care in pregnancy through research and education!
